COMMERCIAL COLLEGE

8 and 9 FIRST STREET, TROY, N. Y.

Designed for the promotion of Sound Principles and Correct Practice in Business Life. A Link in the Great Chain of Fifty Business Colleges, located in the chief Cities of the United States and Canadas. A Scholarship purchased at the Troy College, entitles the holder to instruction for an Unlimited Period throughout the entire Chain.

THE BUSINESS COURSE.

The Business and Commercial Course will include

Book-Keeping, Arithmetic, Penmanship, Commission, Merchandising, Commercial Law, Business Practice, Business Correspondence, Political Economy, Orthography.

PENMANSHIP.

No department in our College is more efficient than this. Our purpose is to make this branch of our course of so high a grade that there can be no difference of opinion as to where to go to

"Learn to Write."

Our success in teaching writing during the past year has been unparalleled—not only our own Students, but those from other schools in the City, have availed themselves of the superior advantages furnished, and all have united in commending our College for furnishing a higher class of instruction than could elsewhere be obtained.

SPECIAL ADVANTAGES.

The following are among the special advantages of the "INTERNATIONAL CHAIN OF COMMERCIAL COLLEGES:"

1. A Scholarship issued by either College entitles the holder to full tuition in any or all the other comprised in the Chain—securing to him a membership in *fifty* institutions, located in as many leading cities of the Union.
2. Each student will enjoy the benefit of a systematic and graded course of instruction, comprised in a certain complete programme, embracing all the essential points of a commercial education, with the most extensive assortment of special manuscript sets ever used in a commercial school.
3. The moral and material aid of published text-books in the various branches, *prepared expressly for these Colleges*, and having the unequivocal endorsement of the most accomplished and best-known teachers and business men in the country.
4. The best system of Business Penmanship known to the public, taught by the authors themselves and their most proficient adepts. (These Colleges have always been justly celebrated for the efficiency of the writing department.)
5. Regular class instruction in Arithmetic, Commercial Law, Penmanship and Book-keeping, with ample blackboard exercises, and special lectures to suit individual cases.
6. Practical drills in the regular process of business, familiarizing the student with the various paraphenalia and manipulations of trade.
7. Economy; as, considering the time required and the facilities offered, the rates of tuition are less than those of even the cheapest schools where charges are made for a stipulated period.

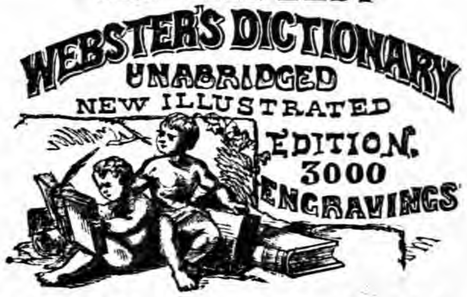
GET THE BEST



10,000 Words and Meanings not in Other Dictionaries.

A necessity to every intelligent family, student, teacher and professional man. What Library is complete without the best English Dictionary?

"Superior, in most respects, to any other English Dictionary known to me."
Hon. George P. Marsh.

"THE NEW WEBSTER is glorious—it is perfect—it distances and defies competition—it leaves nothing to be desired."—*J. H. Raymond, L. L. D., Prest. of Vassar Coll.*

"All young persons should have a standard Dictionary at their elbows. And while you are about it GET THE BEST; that Dictionary is NOAH WEBSTER'S—*the great work unabridged.* If you are too poor, save the amount from off your back to put it into your head.
Phrenological Journal.

"Every *farmer* should give his sons two or three square rods of ground, well prepared, with the avails of which they may buy it. Every *mechanic* should put a receiving box in some conspicuous place in the house to catch the stray pennies for the like purpose. Lay it upon your table by the side of the Bible; it is a better expounder than many which claim to be expounders. It is a great labor-saver; it has saved us time enough in one year's use to pay for itself; and that must be deemed good property which will clear itself once a year. If you have any doubt about the precise meaning of the word *clear*, in the last sentence, look at Webster's nine definitions of the *v. t.*"—*Massachusetts Life Boat.*

THIS Company owns and controls the entire water power of the Mohawk River at Cohoes, and has constructed one of *finest Dams and Gate Houses* in the country to divert the water of the river to their canals, of which they have a series, so as to use the water under six different falls, having an aggregate head and fall of one hundred and twenty feet.

The company lease the water power with the lot at the rate of about *twenty* dollars per annum for a *horse power*. The power costs *less* than *one-third* of the cost of steam power, and is always ready and reliable.

Only about one-fourth of the available power is at present used, thus affording a large amount of power still available for manufacturing purposes.

Cohoes being centrally located, with easy facility for Railroad, Canal and River transportation to market, makes it one of the most desirable points for manufacturing in the United States.

THE NORTHERN BUDGET.

AN INDEPENDENT NEWS AND LITERARY JOURNAL.

Pubished at Troy, Every Sunday Morning.

EDITED BY CHARLES L. MAC ARTHUR.

On the 24th of March, 1867, was issued the first number, new series, of the NORTHERN BUDGET, it being the beginning of the seventy-seventh volume of the paper of that name.

THE BUDGET CONTAINS EIGHT PAGES, AND FORTY COLUMNS OF MATTER.

It contains all the local news of the week, general intelligence and telegraphic news down to 4 o'clock Sunday morning of the day of publication. The very general desire for a Sunday morning Journal, which, while its contents shall be fresh and sparkling, containing the latest news from all quarters, shall at the same time always be found ranged on the side of good morals, progress, freedom and reform, has induced the editor of the *Northern Budget* to undertake to supply this want. The *Budget* is an independent journal in politics, as on all other subjects.

The *Budget* will be served regularly to city subscribers at their residence by carriers, at ***Twenty Cents per Month. Single copies Five Cents.***

OF CHOICE LITERATURE.

The Public Spirit

Is a handsomely printed Magazine of one hundred pages, each alternate one of which is devoted to advertising. None but the most respectable advertisements—those of firms whose business will warrant whatever statements they may make—will be admitted. An edition of

SIX THOUSAND COPIES

Is issued each month, and circulated GRATUITOUSLY throughout the United States and the Canadas, no person receiving it regularly except by becoming an Advertising Patron or Subscriber. The subscription price has been fixed at

One Dollar Per Year,

Which makes the PUBLIC SPIRIT the cheapest Magazine published.

AN EXTRA EDITION

Is printed each month for home circulation, for the benefit of Troy advertisers.

For rates of advertising, &c., apply to
